Riders who do not successfully complete the trial are encouraged to hand in their control card for recording purposes

Be Prepared It is advisable to carry spare inner tubes, basic tools, a pump, ID and a mobile phone. Please ensure you wear adequate clothing for the conditions on the day. Remember you are responsible for the delivery of your control card in a legible state so please bring a plastic bag to keep it clean and dry if necessary. The same applies to any written course details or map you may need to carry.

Horses On your approach to horses please call from a distance to make riders and their horses aware of your presence. A startled horse can be unpredictable so please slow down and be prepared to stop if necessary, to allow them to pass safely. Alternatively, allow them to stop and pull over so you can safely pass them.
