## 50 mile Reliability Trial

### Event Details

**The Rally Shield** The ESCA club with the highest combined number of successful finishers from all three events will hold the Rally Shield for one year. In the event of a tie, the club with the largest number of successful finishers in Event B and C will be declared the winner.

**Route Map** If you need the map and/or written route directions on the day please bring them with you to the event. If you have received this start sheet by email these details should be included, alternatively they can be downloaded from [Brighton Mitre Event Page](#)

**Signing On** Please sign on at least 10 minutes before your allotted start time.

**By signing on you confirm that:**

- your name and club have been correctly recorded
- you agree to ride in a safe manner in accordance with the law
- you agree to place no liability on the organiser, ESCA or Brighton Mitre CC
- you are a member of an ESCA affiliated club

**Riders under 18** Riders under 18 must submit a completed parent consent form. If not included with your entry form please download one at the link [Parent Consent Form](#) to hand in on the day when signing on. All riders under 18 must wear a hard/soft shell helmet that meets internationally accepted safety standards.

**Control Card** At the signing on point you will be given a control card to carry with you during the trial. Your control card **must** be stamped at each of the control points and handed in to the timekeeper/checker at the finish for your official finishing time to be recorded on your card. **Your completed control card will be used to validate your ride.**

**Riders who do not successfully complete the trial are encouraged to hand in their control card for recording purposes**

**Be Prepared** It is advisable to carry spare inner tubes, basic tools, a pump, ID and a mobile phone. Please ensure you wear adequate clothing for the conditions on the day. Remember you are responsible for the delivery of your control card in a legible state so please bring a plastic bag to keep it clean and dry if necessary. The same applies to any written course details or map you may need to carry.

**Horses** On your approach to horses please call from a distance to make riders and their horses aware of your presence. A startled horse can be unpredictable so please slow down and be prepared to stop if necessary, to allow them to pass safely. Alternatively, allow them to stop and pull over so you can safely pass them.

**Safety** Riders are strongly advised to wear helmets and have rear flashing lights.
